

# Niue as a village of 100

## Household and dwelling highlights

The 1,564 people in Niue on Census Night (11 November 2022) were living in 513 dwellings. This means our village of 100 people lived in 33 dwellings.

### Access to services

The 33 households in our village were asked about access to essential services like piped water, flush toilets and internet access.

### Access to vehicles

The 33 households in our village were asked about access to various types of vehicles.

2 households out of our 33 had **no access to any** of these vehicle types.

### Household appliances

The 33 households in our village were asked about appliances owned by the household. The figures below show how many of our 33 households had, or didn't have, **at least one** of each appliance type.
